Scope & usage

One consolidated revision round per project or monthly batch. Includes 6 months of non-exclusive organic use from delivery on your own website and social channels. Posting to Wenxi Photo channels is quoted separately.

Paid advertising (including ads through creator accounts), exclusivity, raw footage, extra formats, revisions, reshoots and travel are quoted separately. Product access, expenses, brief and schedule are agreed before booking. Views and sales are not guaranteed.

Let's make something good.
